# LOOKING TO THE FUTURE

Canyon Creek Christian Academy is in the midst of transition.

It is one thing to start a school, it is something quite different to maintain a school. It is one thing to have a dream, it is something quite different to see a dream come true. It is one thing to set goals that only God can accomplish, it is something quite different to attempt brand new goals after the Lord has been gracious enough to help us accomplish the first ones. It is one thing to have a child, it is something quite different to train that child so his life will glorify the Lord Jesus Christ. It is one thing to be only one life, it is something quite different to expect God to change our world through that one life.

Canyon Creek Christian Academy is in the midst of transition, but what a wonderful transition it is going to be.

# SCIENCE FAIR

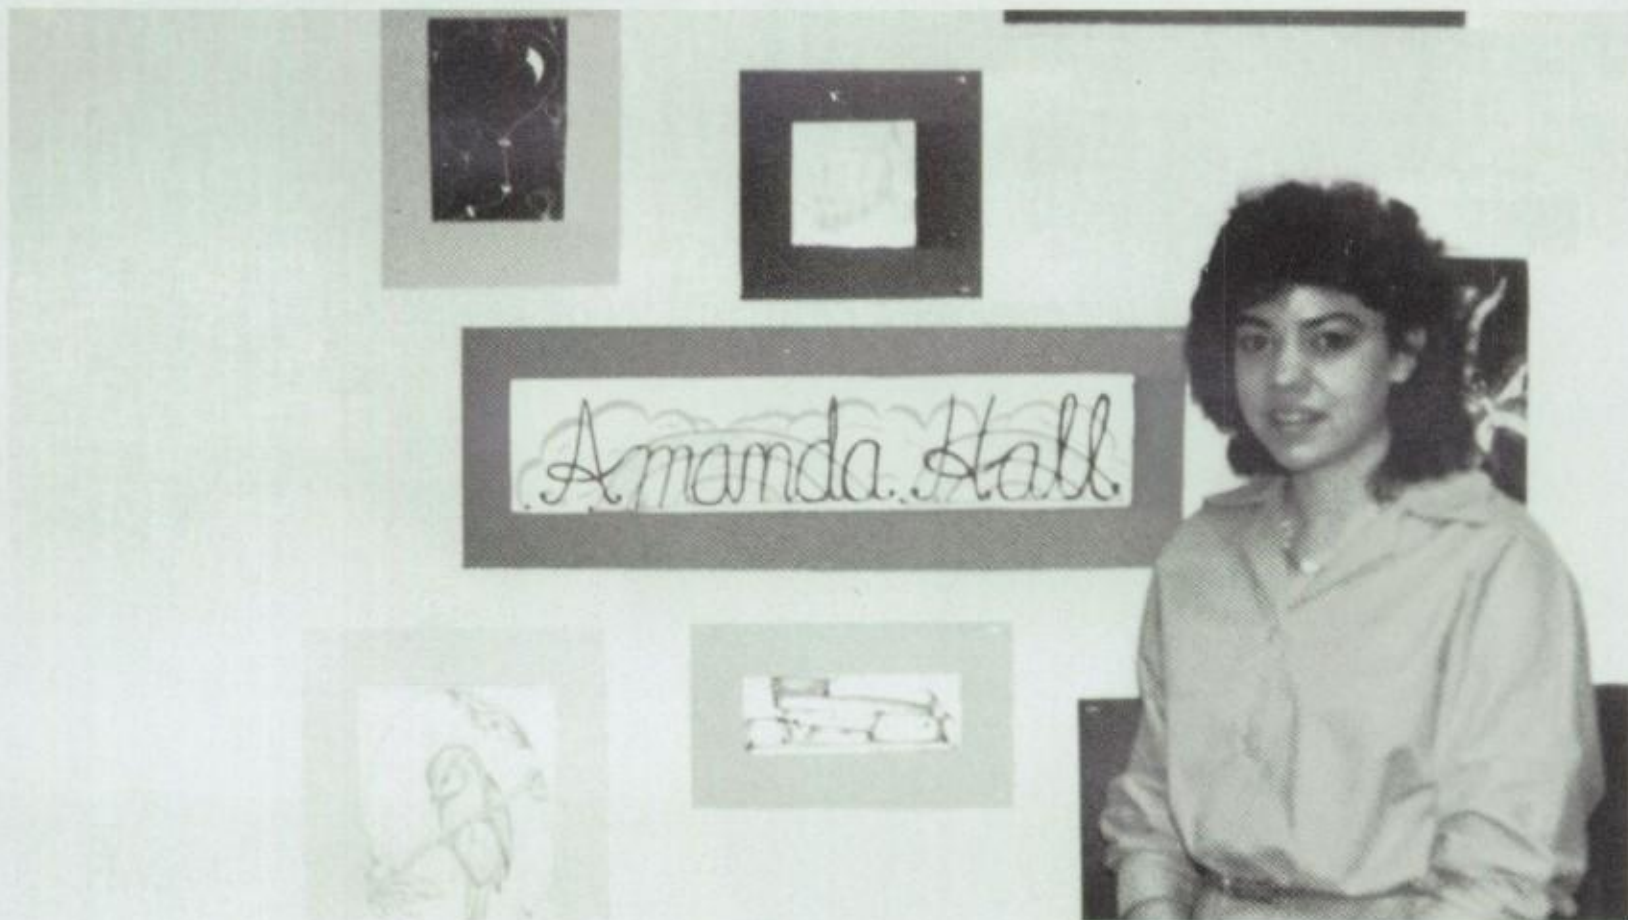

This year the Canyon Creek science department sponsored the school's first science fair. Every science student in grades four through twelve participated and awards were given to first, second and third place winners in each grade, along with designated grand champions. It was evident that the students put forth great effort, and took pride in their experiments. We have much to look forward to for next year.

# VARSITY CHEERLEADERS

The 1984-85 Cougar Varsity Cheerleaders' key verse for the year was Philippians 4:13.

The cheerleaders attended camp at Tennessee Temple University where their Cougar Spirit was awarded with the spirit stick for the entire week.

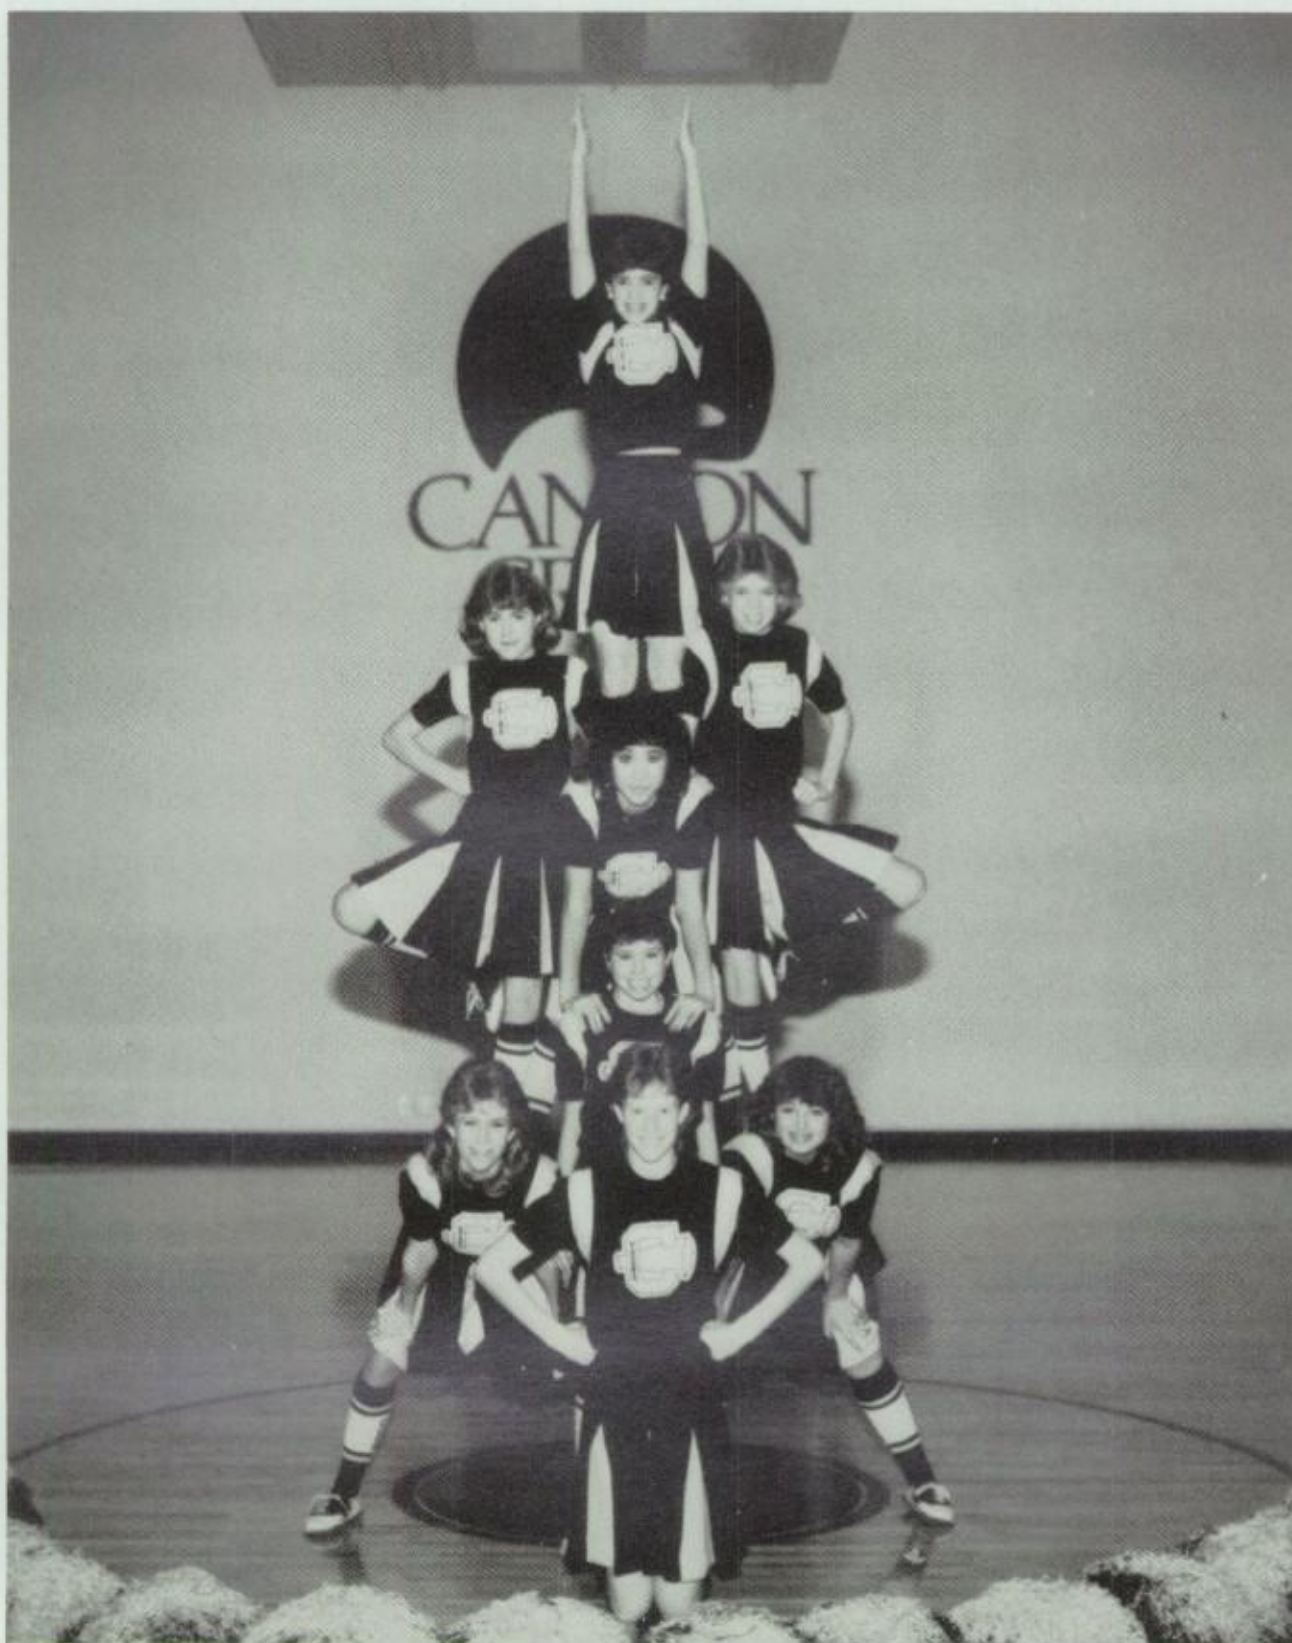

This year the cheerleaders served a lasagna luncheon to the teachers at Thanksgiving, visited the Appletree Nursing Home at Christmas, donated \$200 (which was raised during the slave days) worth of stuffed animals to a home for abused children, and provided a cheerleading clinic for the elementary students.

The Varsity Cheerleaders would like to thank Miss Bridges for her dedication and hard work as sponsor.

# Faculty vs. Students

The third annual men's faculty versus students basketball game was a success for the faculty. Everyone played well and had fun including the masked referees.

The women faculty versus students volleyball games provided good competition for everybody involved. Fortunately, the students won a hard earned victory.
